# Feedback

- Difficult to keep up with communication in Chinese due to technical Jargons and lack of use 刚开始不习惯用汉语沟通，慢慢适应后比较好
- Better to provide a departmental overview during first week so as to understand the big picture 实习刚开始如果可以先对部门有个简介会更清楚一些
- Have a talk to set up expectations during the first week of internship 实习开始时如果可以多了解之后会做什么可以更清楚些

# Learning Points

- Lots of engineering/ coding, which is what I preferred. The challenging part is setting up environment in Linux for the wechat official account. 参加了很多工程性的工作，写了蛮多代码，这是我挺希望的。在 linux 系统下写 C++ 和 Python 是比较有挑战性的事情。
- See how a research department works 了解一个偏向 AI 研究的部门是做什么的
- See how a top china internet company works, more formal than I thought 了解一个中国顶级互联网公司是怎么样的一个工作环境，比想象中更正式点
- Conduct myself more calmly 锻炼一个人在外的独立和冷静思考能力
